| Last Time Ship date (LTS)    | 31/03/22  |
| Minimum Order Quantity (MOQ) | 200 units that can be shipped in smaller lots until LTS |

#### 5. Information for customers

As a result of the lack of customer demand on the MTX-3G-JAVA modems family mentioned in on section 2, Matrix Electronica decided to stop producing them. And we issue this PDN document to, formally, inform you.

We recommend that you check the specifications of MTX replacement devices, mentioned on section 6, on MTX website ([www.mtxm2m.com](http://www.mtxm2m.com)). You can also contact Matrix sales team to confirm the replacement product you selected matches your application requirements.

#### 6. Replacement Products

|                      |   |
|----------------------|---|
| Replacement Products | MTX-IoT-S, MTX-IoT-XS & MTX-T families                          |
| Part number          | Contact Matrix Electrónica sales team for specific part number. |
| Availability         | On production   |

#### 7. PDN Revision History
